

BUDGET-PLANNER

Saravanan K

sarokumar135@gmail.com

REGISTER PAGE

Firstly it moves to Register page.

The image shows a web browser window with the address bar displaying 'localhost:4200/budget-planner/login'. The browser's address bar also shows a dropdown menu with options: 'Go back one page (Alt+Left Arrow)' and 'Right-click or pull down to show history'. The main content area of the browser is a teal-colored header with the text 'BUDGET PLANNER' in white. Below the header, there is a white card with a shadow, titled 'Register'. The card contains three input fields: the first contains 'Saravanan K', the second contains 'sara@gmail.com', and the third contains a masked password '*****'. Below the input fields is a teal 'Register' button. At the bottom of the card, there is a link that says 'Already have an account? [Login](#)'.

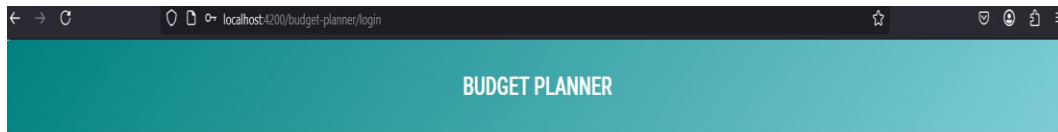

Register Validation

It checks for the correct format of the username, email, and password. If all are correct, it moves to the login page; otherwise, it shows an error message. If you have already registered, click 'Login' to go directly to the login page.

The image shows a web browser window with the address bar displaying 'localhost:4200/budget-planner/login'. The page has a teal header with the text 'BUDGET PLANNER'. Below the header is a white modal box titled 'Register'. Inside the modal, there are three input fields: the first contains 'Saravanan K', the second is labeled 'Email', and the third is masked with dots. Below these fields is a teal 'Register' button. Under the button, there is a link that says 'Already have an account? [Login](#)'. At the bottom of the browser window, a dark grey error message box is visible, containing the text 'Please fill in all fields correctly!' and a 'Close' button.

Login Page

When registration completes, login page get open and ask for login credentials then validate and move to dashboard if credentials wrong it displays an error message.
